

Weight Loss Surgery Support Group

2021 Virtual Meetings

At South Florida Baptist Hospital, our support groups are a valuable place for weight loss patients to meet and discuss behavioral changes and ongoing lifestyle changes. You can share your story and learn from others who have undergone the same transformation. These free meetings are exclusively for BayCare weight loss surgery patients and are open to pre-op and post-op patients. You'll receive monthly email meeting reminders.

Join our Facebook group at “BayCare Bariatrics*.”

**Join us virtually on
the fourth Thursday of
each month, 6–7pm**

January 28
February 25
March 25
April 22
May 27
June 24
July 22
