

## **Eleanor Thompson Earn-As-You-Learn (EAYL) Nursing Assistant Program July 6 – August 7**

Do you like working with people and want to make a difference through the work that you do? Healthcare may be the profession for you. This entry level position is a great way to start.

***What is a Nursing Assistant?*** The Nursing Assistant assists our nursing staff to provide for our patients' physical and emotional needs. Some basic skills include: bathing, helping the patient with toileting needs, bed-making, assisting the patient walk/move, feeding, taking vital signs, and entering data into the patient's electronic medical record (EMR).

Upon successful completion of the EAYL Nursing Assistant program and after working on your unit of hire for at least one (1) month, you will attend a one day Patient Care Technician (PCT) class. In this class you will learn additional technical skills, such as sterile technique, and urinary catheter insertion.

These training classes are provided by Morton Plant Mease Health Care Clinical Education Services.

### **Program Information and Requirements:**
