

Invitation Claim Process

Welcome to MyBayCare

MyBayCare is your online connection to BayCare Health System. Here you can view health and visit information kept in our electronic health record and access an expanding number of online services designed to help you manage your health.

This invitation is for SOPHIE

If you aren't SOPHIE but have legal authority to manage SOPHIE's health, you'll create an account for yourself first so that you can access her health information. If you don't manage SOPHIE's health, please contact us immediately.

Are you SOPHIE?

myBayCare.org Homepage (top)

The screenshot shows the myBayCare.org Patient Portal homepage. The browser window title is "MyBayCare - Dashboard - Windows Internet Explorer" and the address bar shows "https://baycare.iqhealth.com/person/Qv7D49Pf2952Ce8/". The page header includes the BayCare.org logo, the user name "LUCKY LEETESTOAKDE", and a "Sign Out" link. Below the header is a navigation bar with five icons and labels: Health Record, Messaging, Bill Pay, Patient Information, and Care Summary. The main content area features the BayCare Patient Portal logo on the left. To the right is a photograph of a smiling nurse in a hospital setting talking to a patient. Below the photo is a text block: "BayCare now keeps certain hospital information in an electronic medical record, so your doctors and nurses have faster and more complete access to your records while you are a patient with us. And best of all, when you enroll as a member in The Patient Portal, you can access and share your own records online at any time and anywhere." On the left side of the main content area, there is a section for "Allergies" listing: penicillin, aspirin, sulfa drugs, statins, Rocephin, Suture, Prevacid, Lasix, Geodon, Benadryl, Bactrim DS, Negative Penicillin Skin Test, and warfarin. Below that is a "Latest Results" section with a bar chart icon, showing "Weight, Actual kg" as "100 kg" with a date of "Dec. 4, 2013". The browser's status bar at the bottom indicates "Internet | Protected Mode: Off" and a zoom level of "100%".
