

Remote Access with iCONNECT

Follow the steps below to connect to BayCare's Secure Access Portal, **iConnect.baycare.org** from outside the BayCare network. This will grant you access to the Intranet, Outlook Web, MIC and more.

Remote Access with iConnect

1. Navigate to the **iCONNECT Portal** page from your *device's browser*.
2. Enter your **BayCare Network Username** and **Password**.
3. Click the **Submit** button.
4. Select **Voice** or **SMS/Text**.
5. Click the **Submit** button to receive your Authorization Code.
6. Enter the **One Time Authorization Code** in the *Authorization Code* field.
7. Click the **Submit** button.
