

2017 Perioperative Internship Program

Are you interested in becoming a Perioperative Nurse?

- **Applications Due** by December 2, 2016. To apply for the internship, go to BayCareJobs.com and search keyword **Perioperative Internship**.
- **Applicant Selections** completed by Friday, January 6, 2017
- **Internship Begins** on Monday, March 13, 2017
- **Requirements:** ► Florida RN License required, with one to two years of experience preferred
- If the candidate was previously a Surgical Tech or a cross-trained Cardiac Cath Tech with a minimum of three years of experience, the nursing experience requirement is waived.
- Must shadow a circulating nurse for one shift
- Two letters of reference (peer and supervisor) required
- Team members will be assigned to the day shift.
- **Interns should *not* be taking other program courses during the internship program.** Once the program is completed, you will be assigned to the unit/shift to which you were hired (*no exceptions*).
